Do you know you can set yourself and your generation on the path of PASSIVE INCOME?

YES, You Can!

With Helping Hands International, you can be the change in your society, give hope to the less privileged people and set a path of passive income of you and your generation.

Helping Hands International (H2i) is a Non Government Organization set up with the vision to empower the less privileged people and orphanage homes through their partners.

Ours is an organization, unique and second to none, offering humanitarian services that empowers both members and non-members through our life changing and empowerment business opportunity.

We want you to understand that our first duty is to humanity. We want others to look at us and see that we care not just about ourselves but about others.

Helping Hands International is founded by Mrs. Luzviminda Mac-Elvis, a dynamic lady from the Philippines with the passion to make life easier for the common man.

Helping Hands International is co-founded by Dr. Ramiel Policarpio, a Dentist. It also had Dr. Timothy Odeghe, a graduate of Optometry University of Benin, Nigeria as the African Representative.

H2i is sponsored by Hyundai, Glo, HP and Apple. When products are not sold but services are rendered then business is done. Helping Hands International does not sell any product, they only render 5 services.

1. Humanitarian Service

As a partner you have the opportunity to recommend 2 less privileged people for empowerment. Helping Hands International will empower them with \$1000 each on your behalf.

2. Trade and Skill Acquisition

As a partner you have the opportunity to enroll for a free trade and skill acquisition or if you are not interested you could nominate someone else for it. Or if you are not interested you can nominate someone else for it.

You will have the opportunity to learn:

- Computer Appreciation
- Website Design
- Fish and Poultry Farming
- Soap, Insecticide and Perfume Production
- Bead and Hat Making
- Paint Production
- Car Tracking etc.

You also get a certificate at the end of the training

3. Asset and Property Support

As a partner, if you want to buy a particular property and you have 30% of the money, H2i will pay 70% for you and you pay back gradually within a year.

4. Financial Empowerment Service

As a partner in Helping Hands International, you have the opportunity to get a loan up to \$44,000 without interest or collateral.

5. Scholarship Award

As a partner in Helping Hands International, you have the opportunity to receive scholarship award up to \$2000 for 2 of your children.

By becoming a partner with Helping Hands International with just a onetime payment of \$40 (N6,600), you would have the chance to benefit from the 5 services.

NO experience needed, no monthly fees, no targets, no monthly or yearly renewal, you do not need to quit your job on this one, you do this at your own pace and time.

If \$40 (N6,600) isn't worth the opportunity to build great passive income for yourself, help the less privileged people and orphanage homes in your society, have a house of your own, enjoy free skill acquisition, receive car awards, iPad and laptop awards, scholarship for 2 of your children, interest

free loan and enjoy all expense paid international trip THEN don't read any further.

If you are still scared to invest \$40 (N6,600) into your future then go ahead and use it for the things you buy every day.

But if you are ready to build passive income and help people then this is how Helping Hands International works:

All you need is just \$40 to register and after that you share the vision with 2 of your friends/family for them to become a partner with \$40.

Then you teach those 2 friends/family to do the same. Everybody repeating the same process.

CONGRATULATIONS!!! You have started a system that will continue to build and build and build more and more passive income for your. It's so simple anybody could do it.

Can you count how many things your friends told you and said you shouldn't tell someone else and you consciously or unconsciously told some people who have also consciously or unconsciously told other people too?

The question is, do you get paid for telling other people? OBVIOUSLY NOT!!!

But by sharing this opportunity with 2 of your friends/family and telling them to do the same, you can change your financial future for the better and touch the lives of the less privileged people. This is your chance to make a change.

One of the amazing leaders in Helping Hands International, Ambassador Obioma Ngoka who has empowered many less privileged people and orphanage homes through the impactful platform of Helping Hands International was noticed by the United Nations and given an International Ambassador for Peace Award, alongside with the former President Goodluck Ebele Jonathan at Aso Rock in May 2015.

If you are still a student, Congratulations!!! Instead of searching everywhere for some jobs you don't have passion for after school all because of money, you can be like Oluseyi Egbedeyi, a Petroleum Engineering student in University of Ibadan, Nigeria, who took advantage of this amazing Helping Hands Opportunity.

Apart from the passive income he has received and he is still receiving in Helping Hands International, he is now qualified for a brand new Hyundai Elantra, 2015 model and has the opportunity to empower 2 less privileged people with \$1000 each.

With Helping Hands International you become financially independent and get to pursue your dreams without being scared of having no time or money to successfully live your dreams.

THIS IS HOW Helping Hands International Business Plan

WORKS:

In Stage 1... 6 people are needed to complete it

If u registered with N6600... u will need to refer 6 people for u to be able move into stage 2

If you registered with 13200, you will need 5 persons

If you registered with 19800, you will need 4 persons

If you registered with N46,200. It's automatic ticket to Stage 2

Now... in H2i, Positioning matters. And multiple accounts rock!

What this means is that... N19,800 partners will earn the dollars x 3, get 3 laptops, 3 dubai trips, 3 Elantras

For the N19800 registration... what you do is simply duplicating yourself in 3 places before u refer any person

So that... when you eventually refer... those people will be working for your 3 accts

Earnings in Stage 1 are as follows :

For each person u refer... you earn \$8 instant

If u refer 2 people... you will earn $\$8 \times 2 = \16

If they do, they will also earn \$16, while H2i gvs u a bonus of \$10 as a stage completion bonus.

Making it a total of \$26

That is: $\$16 + \$10 = \$26$ and ul be moved into stage 2

If you referred all 6 people needed in Stage 1, you will earn

$\$8 \times 6 = \48 + stage completion bonus of \$10.

$\$48 + \$10 = \$58$ and you will be moved Into stage 2

The official exchange rate of H2i is N165/\$1

And that is the standard rate nationwide... the economy inflation of dollars doesn't affect it in anyway

Stage 2 - Master Stage

In this stage.. It is TEAM WORK

Stage 2 has 5 levels of earning

All u need work with is the 6 people u had in Stage 1

Stage 2 comprises of those 6 people u had in stage 1, and ALL the people those 6 and their teams will refer!

This is why is it called a Team Work Stage. None of us can do it alone!

Further explanation:

Stage 2 has 5 levels

When all the 6 people u brought earlier joins u in stage 2... you will receive a bonus of \$100 (N16,500)

Stage 2 level 1 - Nil

Stage 2 level 2 - \$100 (N16,500)

Stage 2 level 3 - \$200 (N33,000)

Stage 2 level 4 - \$300 (N49,500)

Stage 2 level 5 - \$400 (N66,000)

Every partner needs a total of 62 ALL STAGE 2 people to complete the stage!

This simply means that: If u brought in A, B, C, D, E & F.... that is your 6 ppl

A is to bring 6 partners

B is to bring 6 partners

C is to bring 6 partners

D is to bring 6 partners

E is to bring 6 partners

F is to bring 6 partners

Counting all from A- F is the TOTAL PARTNERS THAT COMPRISES YOUR TEAM. And as the new 6people keep coming in and duplicating.... that is how your stage 2 is being filled and hence completed

Now the simplest ideology here is: if every one u sign up brings in 2 persons each... you will discover that stage 2 completion is achievable within 2months top!

So \$1000 = N165,000

Additional incentives for stage 2:

Customized Hp Laptop or an iPad

As soon as you get your Stage 2 level 5 \$400... you are moved into Stage

Stage 3 also is TEAMWORK

Remember... IT IS STILL THE SAME 6 People YOU REFERED IN STAGE 1
THAT WILL BE WORKING WITH AND FOR YOU

All their downlines... counts for you

Stage 3 also has 5 levels of earning

Stage 3 level 1 - \$200 (N33,000)

Stage 3 level 2 - \$300 (N49,500)

Stage 3 level 3 - \$500 (82,500)

Stage 3 level 4 - \$500 (82,500)

Stage 3 level 5 - \$1500 (247,500)

Total earnings in Stage 3 is \$3000 (N495,000)

The beautiful thing about h2i, is that you earn as you finish each level, so
you are motivated for the next level to Conquer it and more wonderful
incentives awaits you in the next stages.
